## Limits of Liability & Responsibility

1. It is understood that the following Limits of Liability and Responsibility are applicable to all subcontractors of Canwest Productions Inc. and apply to all of Canwest's locations and employees.

2. Canwest shall not be liable for damages, losses or delays due to strikes, lockouts or work stoppages of any kind.

3. Canwest shall not be responsible for loss or damage due to water, windstorm, theft, fire, vandalism, acts of God, mysterious dissipation, common wear and tear in handling of equipment or other factors beyond their control.

4. Canwest shall not be held liable for damage to uncrated materials, materials improperly packed, glass breakage or concealed damage.

5. There may be a lapse of time between the placement of incoming shipment(s) in the booth by Canwest and the arrival of the Exhibitor's represented at the booth. There is a possibility that some time may pass between the pick-up of materials from the booth for loading on a carrier and the completion of packing. It is understood that if these circumstances occur, the shipment(s) will be left in the booth unattended. If, after the placement of any goods, it is agreed that Canwest is not liable. The same is applicable if there is a loss or disappearance of any material from the booth prior to Canwest picking up the shipment after the show. As a result, where discrepancies exist on outgoing shipping documents, Canwest will make the necessary corrections upon pickup of material from the booth.

6. Canwest does not provide for full liability should loss or damage occur. Canwest is not an insurer; therefore, insurance should be obtained by the exhibitor. **All materials should be insured from the time they leave the Exhibitor's firm until they are returned after the show. All risk coverage can usually be arranged with riders to existing policies. Contact your insurance company to make arrangements for coverage during transit and return of the materials, during storage and at the show site.** Any amounts payable by Canwest are based on the scope of the responsibility set forth herein and are unrelated to the value of the Exhibitor's property.

If Canwest is found liable for disappearance or damages to Exhibitor's material, it is agreed that liability will be limited to that specific article only. Liability will be restricted to a settlement equal to \$0.30 per pound per article, with a maximum liability of \$50.00 per item or \$1000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Compensations outlined in this paragraph shall apply if loss or damage occurs regardless of cause of origin, results directly or indirectly to property through execution or non-execution of obligations imposed by the offering of services to Exhibitors or from negligence, active or otherwise by Canwest.

7. A minimum of 10 days notification must be given to Canwest in order to obtain any special equipment necessary to properly handle shipment for loading, placing or reloading. Canwest shall not be held responsible for any damages incurred unless written notification is issued within the time period stated above.

8. Canwest shall not be held responsible to any degree for any current, possible or anticipated loss of profit or revenues or for any related costs that may result from any loss or damage to Exhibitor's materials which may be inconceivable or unfeasible to exhibit materials.

9. Claims for loss or damage must be submitted to Canwest by the close of the applicable show or event. No suit or action shall be brought against Canwest more than one year after the cause of action.

10. All parties agree relevant to receiving, handling, temporary storage and reloading of materials, that Canwest will provide these services as the Exhibitor's agent. Canwest is not a bailee or shipper. Canwest signing of a delivery receipt, bill of lading or other document is done so as an agent of the Exhibitor only and the Exhibitor accepts all responsibility thereof.

11. Canwest shall not be responsible for shipments received without receipts, freight bills or specific piece counts on receipts or freight bills such as a courier or van line. Such shipments will be delivered to the booth without guarantee of piece count or condition.

12. Empty storage labels are available from Canwest service desk. Affixing the labels is the sole responsibility of the Exhibitor. It is understood that these labels are for Empty Storage Only. Canwest will not assume responsibility for loss or damage to contents while containers are in storage or for mislabeled containers.

13. If designated carriers fail to pick-up shipments on time, Canwest shall have the authority to change carriers in order to accelerate removal of goods from the show site. Where no arrangement is made by the Exhibitor, materials will be taken to a warehouse to await Exhibitor's shipping instructions. The Exhibitor agrees to be responsible for payment of charges incurred with such handling and transporting to the warehouse. Canwest assumes no liability pertaining to such re-routing or handling.

14. The Exhibitor agrees that they will not withhold payment in any amount due to Canwest for material handling or any other service provided by Canwest as an offset against the amount of an alleged loss or damage to any material or equipment. The Exhibitor agrees to pursue any claim against Canwest independently as a completely separate transaction to be resolved on its own merit.

**Acceptance of the above terms and conditions will be construed upon consignment or delivery of a shipment to Canwest by an exhibitor or by any shipper on behalf of the Exhibitor.**
